

Kindergarten News 10/3/16

Reading: We are starting to master the letter sounds. Please refer to your child's flashcard bag that comes home. The letters are Ss, Mm, Rr, Tt, Aa and the words: I, see, and my.

Math: We are working on comparing lengths and heights, counting to 10, and counting back from 5 to 0. Numbers 0-5 are in the flashcard bag.

Homework: We will work on the flashcards the month of October. The kids should master the letter sound and name. Please practice them nightly! We need to make sure the children are not adding an "uh" to the end of the letter sounds. For example: T does not say "tuh", it says /t/. Also, don't forget to read a story every night before bed! Three nights of homework this week: Tuesday/handwriting, Wednesday/counting pennies, and Thursday/rhyming/dot to dot.

Miscellaneous: We appreciate your time, patience, and cooperation with your child learning the sounds, letters, numbers and words in the flashcard bag. It will take the work of the parents and the teachers to make the children successful!

Picture retakes are Thursday, October 6. Please send the pictures back if you would like retakes.

Tattoos for \$1 on Thursday. Wear orange and black on Friday for Spirit Day!

The end of the first 9 weeks is October 21.

Report Cards will come home on October 28.

OVER...

Some things we will test for Report Cards:

- *rhyming words (identify and produce them)
- *recognize and spell first name
- *sound and letter names for flashcards
- *sight word flashcards
- *number flashcards
- *count to 10
- *count 5 objects
- * write numbers 0-5 in correct order
- *identify basic shapes(circle, square, triangle, rectangle, oval, diamond, hexagon)
- *sort shapes or pictures into groups

Thanks for your cooperation! Have a good week!
