

## First Grade News 10/24/16

**READING:** We will no longer be sending home Reading Folder practice sheets. There will not be anymore Reading folder tests or grades. Your child's Reading grade will consist of phonics, skills, and comprehension tests. You do not need to send the Reading folder to school anymore. PLEASE continue to read the 2 stories in the Reading book each week. The stories are where the phonics, skills and comprehension tests come from.

**MATH:** We will continue to have a test most Fridays to evaluate the students' learning from the week, what they are retaining from past weeks, and strategies they are using to solve. The 100 chart should become your child's best friend! They need to use it to solve larger number problems in class and on tests.

**SPELLING:** We will pull words from past weeks' lists and put them on Friday tests. This will let us know what the kids are retaining and if they remember spelling rules. The list will come home on Mondays and it will be noted on these newsletters.

**UPCOMING:** The kids are allowed to wear costumes for the Fall Festival on Monday, Oct. 31. No fake weapons, guns, swords, or masks, please. Report Cards will come home on Friday, Oct. 28. Please return the envelope by Monday, Oct. 31.

### HOMework;

**MONDAY:** Read stories: The Trip and At the Aquarium

Math Home Link 3-8

Spelling words: is look see to we fin bit lip  
pig six hill milk
