**Reading:** We will be mastering the letter T and the "t" sound. Please work on mastering the new flashcards. We are working on recalling details, comparing and contrasting, setting, and characters in our stories that we read in class.

**Math:** We are working on positional words, number formation, left and right, oral counting past 20, and adding to 5.

**Homework:** Tuesday: comparing #s, Wednesday: letter Tt in the Alphabet Book, and Thursday: writing Tt/ comparing numbers (more and fewer).

**Miscellaneous:** Report card envelopes should be returned to school this week. All of the papers inside are yours to keep. We are working on new flashcards, including addition problems that your child needs to master. We want them to put the big number in their head and count up to get the sum. They can also use their fingers to add the numbers together.
