Reading: We will be mastering the letter Nn and its sound. We will continue to work on sequencing, details, and drawing conclusions in the stories that we read in class. We are putting "at" words in our sentences. Please work on sounding out words like: cat, fat, hat, mat, Nat, Pat, sat, vat. The students are expected to read these words in class.

Math: Continue to practice writing numbers correctly, sorting by shape and size, identifying shapes, and more or less.

Homework: Tuesday: read sentences

Wednesday: letter N in the Alphabet book

Thursday: writing Nn/ numbers

Miscellaneous:

When doing the Alphabet Picture Book, please have your child sound out the word and write the word with sound spelling. For example, the word apple would be sound spelled apl. It is important that they put the letters in the order that they hear them. This is good practice for them. Thanks you for your cooperation.

Thanksgiving vacation will start on Wednesday, November 23rd and the students will return to school on Monday, November 28th.
