

Dear Parents,

Believe it or not, our 100th day of school will be on Wednesday, Feb. 1st. Wow, how time flies! This is a big production for first grade. We incorporate activities throughout the day that pertain to the 100th day.

One of the students' favorite things to show off is their homemade 100th day T-shirt. They can do anything that they want for the shirt to show that it is the 100th day of school. In the past, we have had 100 stickers, jiggly eyes, words painted on, pompom balls, buttons, paw prints, etc. There have been so many clever ideas for the T-shirts! PLEASE use a hot glue gun or craft glue if you are attaching something— elmers glue will not hold and your child will have a mess. PLEASE do not put anything on the back, as the kids will be uncomfortable in their chairs all day.

Thanks and happy creating! Mrs. Hendershot**
