Reminders

“Homework” will be sent home once a week with your child. This “homework” is **optional**. Your child should be able to complete the worksheet on their own with your help reading the directions. This is a great way for you to see what we are learning in the classroom and work with them at home.

Learning Focus

This month we will begin talking about the season-fall and leaves. In class we have been going over the four seasons and are excited to explore this one! Feel free to send in any unique leaves your preschooler finds.

This month we will also learn about the letters Cc, Dd, and Ii. The class will continue to work on numbers 1-10 and recognizing/writing their first names.
