

Memo for parents/guardians Shadyside High School

In efforts to better serve our students in grades 7-12 and helping to cut down on absences, we are going to add the addendum listed below to the Emergency Medical Form you have already submitted for the 2017-18 School Year.

Please read below, sign if you so desire, detach, and return to the High School Office ASAP. I will keep these on file and the trained staff or myself will administer medication as needed.

If you have not submitted a form for your student, please do so as it is important for us to have consent to treat in the event of an illness/emergency and we cannot reach you.

Thank you for your cooperation in this matter.

Sincerely,

School Nurse

Student's Name _____
