

KINDERGARTEN NEWS 2/12/18

Reading: We continue to work on the phonogram -it, as well as -at and -an. We will evaluate the children's oral reading this week. Please reread the little books that come home each week, and review the colored flip books for -at, -an, and -it.

The students are graded on their ability to sound out the three-letter words and read the sight words from the flashcard bag in the stories. Fluency is how well words flow together as your child is reading; there may be a note about their fluency when we test the books. Your child needs to be able to sound out and read these three-letter words (and the ones to come) fluently to do well in First Grade.

Math: The students did well with oral counting for the Report Card, now we just need them to write the numbers in order better! Putting numbers in sequence is very important for First Grade. We will continue to work on addition/subtraction up to 10. We are also counting to 100 by 10's and counting on from a given number.

Homework:

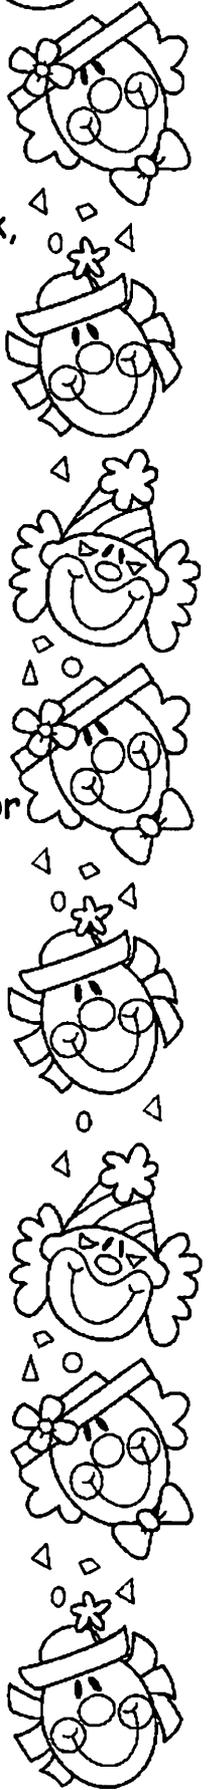

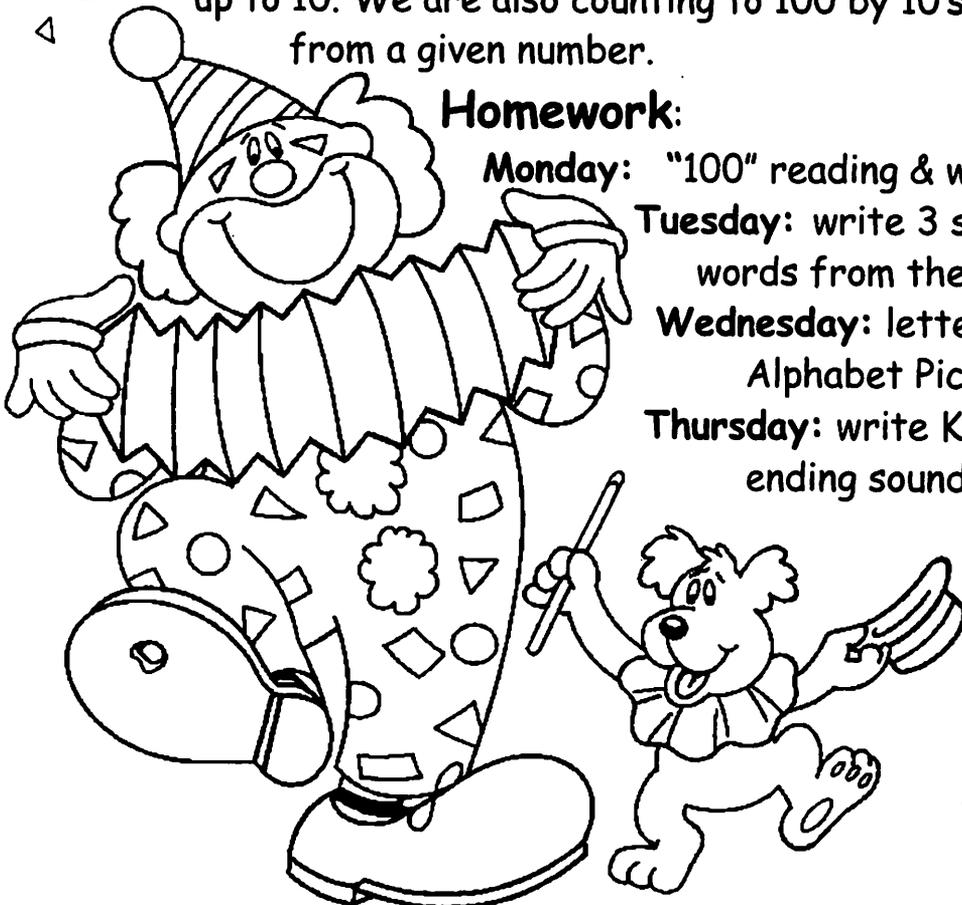

Monday: "100" reading & writing activities.

Tuesday: write 3 sentences using -in words from the word bank.

Wednesday: letter Kk in the Alphabet Picture Book.

Thursday: write Kk/beginning and ending sounds.

OVER

Reminder: we will be staying one hour longer this week due to the last snow day.

We would like for you to make a Valentine box or bag at home and send it to school already decorated.

Please bring in the box and the Valentines your child fills out for their classmates for our exchange on Tuesday, February 13th.

We sent home a list of the children's names so that your child can write the names (to and from) on the valentines themselves!!!

This is great handwriting practice for them!

We will be sending home the baggie for 100 pieces of cereal on Tuesday, please return Wednesday.

Reminder: this is just a snack.

Please have your child eat breakfast as usual.

Also, send in 100 pennies and animal shelter items on Wednesday, February 14th.

The school-wide Valentine Party will be on Wednesday, February 14th from 12:15 - 1:00.

We will be doing Valentine exchanges in the classrooms that day too.

The children will get to pass out their Valentines to their classmates.

All three blizzard bags are due by Friday, February 16th if they haven't been returned yet. All students that return all three blizzard bags will earn bonus music/gym time.

No school Monday, February 19th President's Day.

2 hour delay Friday, February 23rd for Teacher Professional Development.
