

KINDERGARTEN NEWS 3/26/18

Reading: We will continue to review all flashcards this week and concentrate on -ot words (cot, dot, got, hot, scot, blot). The children will work on -ox words (box, fox, lox) too. Your child should be able to sound out any 3 letter short vowel word they see.

Math: We continue to work with counting on from a given number, numbers to 100, determining more and fewer between two groups and numbers, measuring and addition/subtraction. Work on memorization of math facts (addition and subtraction) from 0-5, for fluency. Most of the students are counting past 100 now.

Homework:

Monday: letter X in Homework Picture Book

Since there only a few words that have an X, please feel free to ^{use} any word that has an x. (Ex. box, fox, exit, x-ray, fax, fix, six, was, ax, tuxedo, flex, T-Rex)

Miscellaneous: If you haven't returned the report card envelope please return tomorrow. All of the papers enclosed are yours to keep. Easter break is March 29th, 30th, and April 2nd.

Return to school on Tuesday, April 3rd.

Mrs. Meyer is scheduling the Kindergarten music program. As soon as we have the date, sometime in April, we will notify you.

If you know of any child that has not registered for Kindergarten please let us know. Thank you!

2 hour delay for Teacher Professional Development is April 27th.
