Re: Sports Physicals

Dear Mr. Trivari :

We are happy to provide the sports physicals for Shadyside High School. Due to the pandemic, we have additional guidelines to follow.

1. All students will drive up to the door for Tower 4. One of our staff will be there and will give you a number to place on the dashboard. You will park in the Tower 4 lobby until we call your number.
2. We will have someone in the Tower 4 lobby to guide your students to our office when it is their turn. We can only allow 8 people in our Clinic lobby at one time. One of our staff will direct them when it is their turn. As one leaves, we will send in another one.
3. All Coaches, Parents and Students will have to mask.
4. We encourage the parents to remain in the car; in the event a parent needs to come in, only one parent may accompany the student.
5. Students will arrive in groups at the designated time below to maximize efficiency.

Seniors/Juniors 5:30pm

Sophomores/Freshman 6:00pm

7th & 8th Grade 6:30pm

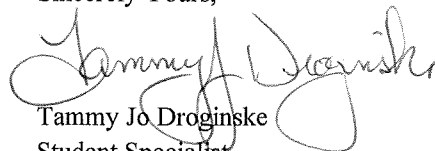

Our goal is to provide a good experience for you and the students. The Physical fee is \$10.00 per student. We will collect the \$10.00 fee from the students as well as their physical forms as they check in. Please let all students know we will be unable to provide the physical if the \$10.00 fee is not paid at the time of service and if the required parental/guardian signatures are not completed on their physical form. *Please inform parents and students that if they wear glasses, they must bring them with them.*

Please advise parents to make checks payable to: The Family Medicine Center.

We also ask that if you plan to advertise for this event to send us a draft prior to publication so we may review.

We look forward to seeing you on June 8 2020 @ 5:30. We are located in Tower 4, on the 4th floor in Suite 401. If you have any questions please call us anytime at 304-243-7816.

Sincerely Yours,

Tammy Jo Droginske
Student Specialist

Family Medicine Center
