## ***Mandates for Bus Travel to Away Events***

***Each bus can hold 24 passengers. This includes players, coaches, managers, etc. If more than 24 passengers need transported, additional busses will need to be requested.***

***One passenger will be permitted in each seat.***

***All riders must wear a mask at all times while on the bus.***

***A roster for each passenger, including their temperatures must be submitted to the driver. Temperatures must be checked prior to boarding the bus. This can be done while in the locker room.***

***Coaches will be responsible for making sure every team member has their mask on properly for the duration of the trip, both to and from the event. Anyone who removes their mask will be subject to removal from the bus on future trips.***

***No food or drink will be permitted on the bus, as this would require masks to be removed.***
