

SHADYSIDE LOCAL SCHOOL DISTRICT

COVID 19 Restart Plan

John Haswell, Superintendent of Schools
Monday, August 3, 2020

SHADYSIDE LOCAL SCHOOL DISTRICT

GUIDING PRINCIPALS

- The Goal of Shadyside Local School District is to support the academic, social, emotional, and physical needs of our students and staff. Many factors contribute to the educational options for the 2020-21 school year.
 - National, state, and local health officials and leaders make health decisions. All operating procedures will be considered with guidance from the Governor, the Ohio Department of Health, the Ohio Department of Education, the Belmont County Department of Health, and the Shadyside Local School District.
- Equity and Access for all students.
 - Teacher directed learning for all hybrid/online options for students.
 - Internet connectivity and devices to help the educational process for students.
 - Social-emotional balance and care.

20-21 LEARNING OPTIONS FOR STUDENTS

Parents can choose the option that is best for their child.

1. Face-to-Face Instruction in our buildings five days per week or a Hybrid schedule. A Hybrid Schedule would be implemented if conditions in the district warrant.
2. Remote Learning from home - Students will be enrolled in our online curriculum offerings through Odysseyware. The student will be required to utilize this curriculum the entire semester if this option is chosen.

20-21 START OF SCHOOL

School will start for students on August 25, 2020

- The first week will be an orientation for students regarding health, safety, and educational resources that will be utilized throughout the year. Students will be split into two groups: (**Group A/Group B**) for orientation week.
- **Group A** will attend school on Tuesday August, 25 and Wednesday August 26.
- **Group B** will attend School Thursday August, 27 and Friday August 28.
- Staff will start on August 17th and begin to set up Google Classroom and plan for our three levels of schooling this year.
- Shadyside Local School District has purchased a Chromebook for each student and teacher in our District. This purchase will allow our students to access our classroom and curriculum on these devices if students are not able to attend face to face or the District is forced to deliver instruction remotely. Due to COVID 19 the Chromebook may not arrive by the start of school.
-

SHADYSIDE LOCAL SCHOOL DISTRICT

COMMUNICATION

- ▶ Communication between the District and Parents will be essential more than ever this school year. The way we deliver instruction can change overnight in our three buildings.
- ▶ Shadyside Local School District will utilize our Parent One Call system as well as our Website: shadysideschools.com to communicate with our families. If you are not on the One Call list please call the Superintendent's office at 740-676-3121 to get on the list.

MASK/FACIAL COVERING POLICY

- ▶ Staff are required to wear a mask or facial covering.
- ▶ Masks/facial coverings will be required upon entrance into the buildings. Additional guidance will be determined by orders from our Governor, ODH and the Belmont County Health Department.
- ▶ Every effort will be made to maximize physical distancing throughout the school, in classrooms, and on buses. Masks will be required at all times.
- ▶ Students using school transportation are **required** to wear a mask or facial covering.

CLEANING AND SANITIZING

Shadyside Local School has committed thousands of dollars to sanitation products to protect our staff and students from the spread of the Covid-19 Virus.

These products and procedures include:

- ▶ Touch less hand sanitizers in every classroom and entrance in our district.
- ▶ Spray bottles with disinfectant in every classroom to sanitize desks in-between class changes.
- ▶ Purchased 5 Battery operated Electro-static machines and sanitizer for deep sanitizing daily. The three building, Field house, and Bus garage have this machine.
- ▶ Custodial plans that include cleaning restrooms every 15 minutes throughout the school day. The electrostatic machines will be utilized before and after school to deep clean each building.
- ▶ Buses will be sanitized after the morning and afternoon routes.
- ▶ Purchased masks for every student and staff member in the district.
- ▶ Purchased a face shield for every staff member in the district.
- ▶ Purchased gloves for staff.
- ▶ Plexiglass shields will be installed in each office.

SCHOOL OPERATING SCENARIOS

Belmont County Plan Levels

All In Plan All Students Every Day	All In Plan All Students Every Day	Hybrid Plan Tues/Wed or Thurs/Fri Zoom Classes	Remote Learning All Students Learn from Home

Shadyside Local Operational Plans

All In Plan - Level Green

All Students, Every Day

5 days (Monday through Friday) of face to face instruction in buildings as traditional as possible while practicing social distancing.

Plan may apply to building or entire district

- Parents assess student health before school.
- Face masks will be required at all times, including when the student is seated in their classroom.
- Students using school transportation are required to wear face masks
 - Noncompliance will result in the denial of transportation
- Social distance as much as possible.
- Additional cleaning of surfaces
- Non-Touch Hand sanitizers in every classroom and at each building entrance.
- Lunchroom expands to other areas of the building.
- No visitors or volunteers.
- No shared student supplies.
- No locker stops.
- One-way hallways when possible.
- No field trips
- No large group student events

Attendance: Taken Daily

Hybrid Plan - Level Yellow

50% of Students in Building at a Time

Students divided into two groups and attending school in person for face-to-face instruction 2 days a week and learning remotely from home 3 days a week.

- Monday all students would be remote. Monday will be used for teachers to plan and address questions that students may have.
- Group A will be face to face on Tuesday and Wednesday while group B would utilize Google Classroom and Zoom to virtually attend class these days.
- Group B will be face to face on Thursday and Friday while group A will be attending virtually these days.

Plan may apply to building or entire district

- Parents assess student health before school.
- Face masks will be required at all times, including when the student is seated in their classroom.
- Students using school transportation are required to wear face masks.
 - Noncompliance will result in the denial of transportation
- Social distance as much as possible.
- Additional cleaning of surfaces.
- Hand sanitizers in every classroom and at each building entrance

Remote Plan - Level Red

All Students Learn From Home

Remote Learning for all students at home.

- *Teachers will teach classes virtually utilizing Google Classroom and Zoom*

Plan may apply to building or entire district

- No field trips
- Special education services may be adjusted

Attendance: Taken daily during Zoom

DISTRICT GOALS

Our goal is to begin the year at the Level Green, learning level scenarios will change based on COVID 19 circumstances.

Level Green - All In

We will be operating 5 days per week practicing as much social distancing as possible.

Level Yellow - Hybrid

On Monday's all students in the district will be learning remotely. All students will utilize Google Classroom and Zoom for instruction from their teachers.

Group A (alphabet A-L) Will be face to face Tuesday and Wednesday.

Group B (alphabet M-Z) will be face to face Thursday and Friday.

While the group that is in class face to face, the other group will be expected to log on to Zoom to view the lesson.

Level Red - Remote

All Students will be expected to utilize Google Classroom and Zoom for their lessons.

Determining what level we will be operating on will be decided on through consultation with Belmont County Health Officials.

No matter what level we will be operating on there will be no visitors in the buildings. If something needs to be dropped off to your child you can ring the buzzer at the building and communicate with the Office.
